

Inter-university course “Plant imaging: advanced light microscopy”

University of Geneva, January 2023

Thursday, January 26th

9h – 10h / Room 0059 (Sciences III)

Registration

Introduction

Participants’ presentations

10h – 11h45 / Room 0059 (Sciences III)

Lecture “Fluorescence microscopy”

11h45 – 13h

Lunch break

13h – 14h30 / Bioimaging Center (Sc. II)

Hands-on microscopy (1st rotation)

14h30 – 14h45

Coffee break

14h45 – 16h30 / Room 0059 (Sciences III)

Lecture “Sample preparation”

Friday, January 27th

9h – 10h45 / Room 0059 (Sciences III)

Lecture “Fiji and image processing”

10h45 – 11h

Coffee break

11h – 12h30 / Bioimaging Center (Sc. II)

Hands-on microscopy (2nd rotation)

12h30 – 13h30

Lunch break

13h30 – 15h / Bioimaging Center (Sc. II)

Hands-on microscopy (3rd rotation)

15h – 17h / Room 0059 (Sciences III)

Hands-on image analysis
